OBJECTIVE

As a B.Tech in Computer Science student, I possess strong programming skills in languages like C, Java, and Python. Known for my leadership, teamwork, and adaptability, I am a dedicated hard worker committed to delivering high-quality results in all projects.

EDUCATION

Year	Degree	Institute	CGPA/%
2021 - Present	B.Tech CSE (KTU)	St. Joseph's College of Engineering and Technology, Palai	9.64 CGPA
2021	12 th	St. George's HSS, Kothamangalam	99.4%
2019	10 th	Little Flower HS, Oonnukal	96%

LEADERSHIP ROLES

Placement Coordinator *Feb 2024 – Present*

- As a placement coordinator and volunteer, I bridge communication between the placement cell and students, resolve queries, and assist in organizing job fairs for smooth placement activities.

Event Sub Coordinator *March 2024*

- As a Sub-Coordinator for Tech Asthra, I played a key role in organizing the event, coordinating teams, and ensuring its smooth and successful execution.

Class Representative *2022 - 2023*

- As a Class Representative for a year, I communicated between students and faculty, addressing concerns, sharing updates, and ensuring coordination.

ACADEMIC PROJECTS

HomeConnect [homeconnect](#) 

- HomeConnect is a platform for booking student accommodations like hostels and PGs. It simplifies management, improves service quality, and reduces costs by efficiently meeting both student needs and provider resources.
- Tools Used: Flutter and Firebase

CERTIFICATIONS & ACHIEVEMENTS

- Internship on Flutter
- Smart India Hackathon'23 (Prelims)
- Programming in Java, IIT Kharagpur (NPTEL)
- Spoken Tutorial in C, IIT Bombay
- Participant in **BuildOnChain** Hackathon at NIT Calicut
- First Prize** in the Ideathon Competition **Idea Ignite** organized by JEC,Cheruthurthy
